MESSAGE FROM THE BOARD

With the close of summer, and in the blink of an eye, the holidays will soon be upon us! This has been a memorable year for SAMLARC that started with the launching of the new and updated [SAMLARC.org](https://www.samlarc.org) website. If you haven't seen it, be sure to check it out. It is a great digital resource for all SAMLARC information.

This year in February, the 2017 Board of Directors Election experienced a record number of candidates running for a place on the Board. Four new SAMLARC Members were elected including Marty Groh, Robert Louvar, Paul Persiani and Charles Villafana. Each brings to the Board a professional background, community philosophy and many years of transferable business skills and experience. You can read more about each Member of the Board including their biographies on [SAMLARC.org](https://www.samlarc.org).

In March of this year, the Board approved the formation of the Community Lifestyle Committee whose purpose is consistent with the SAMLARC Articles of Incorporation to provide community services and programs to the Membership. The Board also appointed the Lago Santa Margarita Ad Hoc Committee to research options to address Golden Algae in the Lake in an effort to create a sustainable environment for fish. More information regarding their efforts and the project can be found on [SAMLARC.org](https://www.samlarc.org).

The official opening of the Beach Club took place on Sunday, May 7, with a ribbon cutting ceremony highlighting the numerous improvements at the Beach Club. Also in May, the Board held a Strategic Planning Workshop to set goals and a work plan for the next three years.

Summer offered a number of fun, family activities including the 2nd Annual Screen on the Green and the Great Rancho Campout, as well as a fun and festive adult-only event, Hot Havana Nights. New classes this year included Painting by the Lake, Pickleball and PiYo.

This fall will be busy with the 2018 Budget Workshop scheduled for Tuesday, October 10, in the Fiesta Room at the Beach Club. As fall comes to a close, the holiday season takes off with a number of festive events that can be found on page 7. We look forward to 2018 and invite you to enjoy all of the wonderful parks and programs available to you as Members.

Our job in the year ahead is to continue to protect and enhance property values with a focus on enhancing the quality of life for which Rancho Santa Margarita is known.

All the best,
Your SAMLARC Board of Directors

Are You Interested in Serving on the Board of Directors?

SAMLARC is a dynamic community and the master homeowners association for 13,645 residences in Rancho Santa Margarita. In 2018, three positions on the SAMLARC Board of Directors will be up for election. The SAMLARC Board is searching for dedicated community individuals who have a general understanding of the association's needs while possessing a skill set and perspective that aligns with SAMLARC's mission and vision statements. In accordance with the Governing Documents, the specific and primary purpose of SAMLARC is to provide community services and facilities for the benefit and welfare of the Members, and the management and maintenance of the said property and value, desirability and attractiveness thereof.

If you are considering being a part of a nonprofit leadership team and making a positive difference in the SAMLARC community, serving on the Board of Directors is an excellent way to get involved.

The next election for the SAMLARC Board of Directors will be at the Annual Meeting on Thursday, February 22, 2018. If you or someone you know is interested in placing their name with the Election Committee for consideration as a candidate, please contact SAMLARC Office Manager Tita Gervasi at 949.709.0025 or tita.gervasi@fsresidential.com to obtain a Board of Directors Candidacy Packet. All Volunteer Board of Directors Application for Nomination Forms must be received by the SAMLARC Business Office no later than 5:00 p.m. on Monday, October 16, 2017.

Record Delegate Attendance at 2017 Election

A record number of seventy-nine (79) Delegates attended the 2017 Annual Meeting and Election. The SAMLARC Board of Directors would like to thank them for their attendance and for voting in person or by submitting their Delegate Absentee Casting Ballots.

Building a Beautiful Community Together

It takes a community to build a beautiful community. This process begins with one homeowner and grows from there, each homeowner taking the time and effort to make their landscape consistent with the architectural standards in order to promote the Mediterranean aesthetic of the community for others to follow their example. SAMLARC Members have chosen to live in a planned community, and all planned communities have architectural standards in order to maintain, enhance and promote an aesthetically and harmonious community, as well as to protect property values.

The architectural design of SAMLARC homes and structures is Spanish Mediterranean. The Mediterranean climate is very similar to SAMLARC's climate. SAMLARC offers a full palette of beautiful plants that are all water-wise and Mediterranean to enhance and complement the community. Although the climate has been referred to as desert, the architecture in SAMLARC is Spanish Mediterranean. The original photos of Rancho Santa Margarita depict lush green rolling landscape, as opposed to a desert scape. Being water wise, homeowners can still keep SAMLARC from looking like a desert.

Every homeowner has spent considerable funds in purchasing their home. Take a moment to survey your home. If you need to re-landscape or paint your home to restore its beauty, we are here to help you. Please visit the SAMLARC website for information regarding all improvement projects or you can contact Community Services Manager Carla Galosic at 949.709.0016 for information or questions regarding this topic.

2018 Budget Process

In accordance with the Governing Documents, the specific and primary purpose of SAMLARC is to provide community services and facilities for the benefit and welfare of the Members, and the management and maintenance of the said property and value, desirability and attractiveness thereof.

With this in mind, beginning in late June each year, the development of the upcoming year budget for SAMLARC begins. The budget process considers meticulously projected revenue and expense figures from the current year, with consideration of historical and known future data to ensure that all necessary factors are included. Reasonable assumptions are made and justified where needed.

This year, the Landscape and Facilities Enhancement Committee, Community Lifestyle Committee and Communications Committee had the opportunity to provide input into the budget regarding enhancement projects, community programming and methods of communication with the Membership. Their input, along with input from the Architectural Review Committee and Covenant Committee, contributes to protecting property values and enhancing the lifestyle and sense of community for which Rancho Santa Margarita is known.

Yearend budget projections for the 2017 Budget and the first draft of the 2018 Proposed Budget with no service level revisions were presented to the Budget and Cash Flow Committee comprised of CFO Jeff Halbreich and Directors Robert Louvar and Paul Persiani on August 9, 2017. At the Board of Directors Meeting held August 22, 2017, the Board considered both of these budgets along with a version of the 2018 Proposed Budget that included recommendations from the Committees.

The Board of Directors will consider the Draft 2018 Budget further and in detail at the 2018 Budget Workshop scheduled for Tuesday, October 10, 2017, at 5:30 p.m. in the Fiesta Room at the Beach Club.

Christmas Tree Lighting and Polar Express Pajama Party

Saturday, December 2

3:30 p.m. – Polar Express Pajama Party Begins

5:00 p.m. – Christmas Tree Lighting Festivities Begin
Lago Santa Margarita Lakeshore

Enjoy the sights, sounds and treats of the season while singing along to holiday music. Create precious memories with your family and friends as you have fun at the Polar Express Pajama Party and Storytelling! Then make your way to the Christmas Tree to watch the annual Tree Lighting Ceremony!

The second annual Polar Express Pajama Party and Storytelling will begin at 3:30 p.m. at the Lakeshore Amphitheater. There will be fun for the entire family with music, games, crafts and refreshments! At 4:30 p.m. everyone will enjoy the story of the Polar Express and will be led by the SAMLARC conductor to the opposite side of the Lake for the annual Tree Lighting Ceremony.

The Christmas Tree Lighting festivities will begin at 5:00 p.m. at the Lakeshore, followed by the Tree Lighting Ceremony at 6:00 p.m. with musical performances by The Bridge Church to enjoy throughout the event. Keep warm with hot cocoa and holiday treats while you eagerly await the enchanting arrival of Santa by boat. Once Santa and Mrs. Claus have arrived to assist with the tree lighting, they will then be available for photos! SAMLARC has partnered with the Mercado Del Lago Shopping Center to host back-to-back holiday events! After the Christmas Tree Lighting event concludes, guests will be ushered to the Mercado Del Lago where further festivities will ensue. This event is complimentary for SAMLARC residents and their guests!

For further information visit SAMLARC.org or contact Marley Sansom, Community Lifestyle Manager at marley.sansom@fsresidential.com or 949.709.0013.

Adult Self-Defense Class

Sifu Dan Earhart began studying Martial Arts over 30 years ago. After many years of studying a wide variety of Martial Arts, he found his home in the Chinese Martial Arts. As a certified Wing Chun Kung Fu instructor and founder of the Bak Fu Wing Chun Kung Fu Association, he will share memorable, real-world self-defense techniques, rather than having students simply memorize a series of moves that may be forgotten over time. Students will be taught to use sensitivity training, center-line theory, angles, constant forward motion and many other amazing techniques passed on by Grandmaster Ip Man to Sifu Dan's Grandmaster (as well as Bruce Lee), designed to overcome powerful and multiple attackers.
