MESSAGE FROM THE BOARD

The playgrounds are filled with the laughter of children, residents are basking in lounge chairs by the pools and children are splashing in the water and building sand castles at the Beach Club Lagoon – it's Summer time at SAMLARC! With every season, SAMLARC strives to provide its members with the best experience possible. Summer is a special time of the year, it's vacation time! Families can come together and enjoy all of the amenities, facilities, programs and events provided by SAMLARC, creating unforgettable memories that will last a lifetime.

SAMLARC officially kicks off Summer with the July 4th Star Spangled Spectacular! Gather your family, friends and neighbors around the Lago Santa Margarita Lakeshore or at the Beach Club Lagoon. This year, for those wishing to gain access to the Beach Club Lagoon and claim picnic tables, a new lottery system has been established to streamline the process; details can be found at SAMLARC.org/events.

On Friday, July 21, take on the Star Wars Empire at Central Park! Dress up in your favorite Star Wars attire to watch "The Force Awakens" at SAMLARC's Screen on the Green movie night. Brush up on your camping skills while enjoying a BBQ dinner and pancake breakfast provided by SAMLARC, at the Great Rancho Campout beginning Friday, August 4. To find out more about upcoming events, turn to pages 6 through 8, or visit SAMLARC.org/events.

Keep the children active and entertained with educational and exciting Summer camp programs offered through SAMLARC. For more information, please turn to pages 9 through 11, or visit SAMLARC.org/programs.

Just in time for Summer, the Beach Club Improvement Projects concluded with a Ribbon Cutting celebration, attended by the SAMLARC Board of Directors, residents, vendors, program instructors and staff. Special certificates were presented by representatives from the offices of Lisa Bartlett, Orange County Supervisor, U.S. Congresswoman Mimi Walters and State Assemblyman, William Brough. The Beach Club Improvement Projects began in 2015 with conceptual design planning and construction underway in early 2016. The last phases of the project finished ahead of schedule with the Beach Club Office Expansion completed at the end of 2016 and the new storage facility finishing before the start of Summer. For more information about the project, please turn to page 4.

In the beginning of May, the Board of Directors held a Special Meeting of the Board for the purpose of conducting a 2017 - 2020 Strategic Planning Workshop. During the Board of Directors Meeting held on May 23, the Board approved the adoption of Revisions to Standards, Policies and Guidelines. For more information, please turn to page 5 or visit SAMLARC.org/news.

The Board of Directors, along with the newly formed Lago Santa Margarita Ad Hoc Committee, have been working diligently to restore the health of the Lake and return fish to the Lago Santa Margarita. In early May, multiple carp were spotted and a number of mosquito fish were added to the Lake provided by the Orange County Vector Control with the purpose to assist in controlling insect populations. Stay tuned for more details and updates in the next issue of *Rancho Living* as the committee continues to work hard to reach its goals and restore the fishery to Lago Santa Margarita.

We wish you a fun, safe and spectacular Summer!

Sincerely,
Your SAMLARC Board of Directors

Beach Club Ribbon Cutting

The Beach Club Improvement Project began with conceptual design planning in 2015 with the goal of enhancing the membership's experience with an emphasis on efficient design. The first phase was completed in March of 2016 with the completion of a new trellis. The second phase encompassed the purchase of new resort-style outdoor furniture for the cabana, courtyard and Beach Club Lagoon.

Phase three of the project incorporated the Beach Club Office Expansion Project which completed early in December of 2016. The Beach Club offices were renovated and expanded to enhance the homeowner experience and provide superior service to the membership. A conference room was added to the Beach Club office that is available to sub-associations and SAMLARC members to rent for their meeting

needs. A total of 333 square feet was added to Beach Club offices. The Fiesta Room also received renovations in the beginning of 2017.

The last phase of the project was completed ahead of schedule with the new storage facility. On Sunday, May 7, 2017, the Board of Directors including President Robert Dickson, Vice President Dennis Reid, Secretary Marty Groh, CFO Jeff Halbreich, and Directors Paul Persiani and Charles Villafana celebrated completion of the project with the Beach Club Ribbon Cutting. Representatives from the offices Lisa Bartlett, Orange County Supervisor, 5th District, U.S. Congresswoman Mimi Walters, and State Assemblyman, William Brough, attended to present multiple certificates to SAMLARC during the ribbon cutting ceremony.

Wine & Cheese TASTING

On Saturday, May 20, 2017, SAMLARC hosted Wine & Cheese for members and their guests at the beautiful Lago Santa Margarita Beach Club. The sold out event was a great success with a variety of wines paired with cheeses, appetizers, dinner and desserts. Attendees danced the night away with live music provided by the Monique Berry Band and had the opportunity to win gift baskets provided by Spa Gregorie's, School of Rock, Pinot's Palette, Menchie's, Diamond Sports and Field Maintenance, Hannah's, South County Signs & Banners, Carmelitas, Mosaic Consulting, Tutto Fresco and Horizon Lighting.

Adopted Revisions to Standards, Policies and Guidelines

At the March 28, 2017, Board of Directors Meeting, the Board took action to approve the following revisions to the Policies & Guidelines, and Athletic Field Use and Allocation Policy. This began the Member review period for comment which concluded on Friday, May 19, 2017, at 5:00 p.m. As there were no comments from the Membership, the Board of Directors took action at the May 23, 2017, Board of Directors Meeting to adopt the following revisions to the Policies & Guidelines and Athletic Field Use and Allocation Policy these revisions are now in effect:

Policies and Guidelines Revisions:

Front Yards

Front yards are not allowed to consist of dirt only. Once turf dies, it must remain in place to comply with state law (Civil Code Section 4735 and CC&Rs Section 8.08). Homeowners must keep dead turf mowed and free of weeds. Incidents should be directed to the Community Services Manager.

Rear Yard and Side Yard Maintenance Exclusion

SAMLARC monitors all rear yard and side yard landscape, hardscape and items excluding rear yard and side yard landscape, hardscape and items that are below the fence height.

Athletic Field Use and Allocation Policy Revisions:

IV. **Field Allocation Process**, B. **Additional Considerations**, 12. The first Sunday of each month shall be designate as Community Park Day, and Permits will not be issued for organized play, *with the exception of Canada Vista, Tijeras Creek, and Trabuco Mesa Sports Parks. For all other parks*, this time is to be open for general community use.

Exceptions would be made for League scheduled Tournaments or Playoffs.

Let's Work Together

While you are out and about enjoying SAMLARC facilities, parks, trails or common areas and see a maintenance issue, let us know!

By working together with SAMLARC you can help us to address the problem faster and more effectively. Maintenance Request Forms can be found at SAMLARC.org/maintenance-request.

Learn to Swim with Premier Aquatics

Premier is excited to once again offer swim lessons at the Monte Vista pool in SAMLARC. Swim lessons will run through August 2017 and will be available for all ages teaching students safety first and then moving on to stroke development. Private lessons are designed as a completely customizable learning experience. Depending on the swimmer's ability level, participants will progress from learning the basics of swimming to a more advanced refinement of their stroke. The benefit of private swim instruction is that it helps younger children learn in a more focused atmosphere without the distractions of others in the class.

Date: Running through August 2017

Location: Monte Vista Pool

Cost: \$35.49 per class (billed monthly)
